## Mount Tarawera Fault line Adventure

Flying north we follow the volcanic fault line that carves its way through our unique and spectacular landscape. Along the way enjoy aerial views of our renowned thermal reserves Waimangu and Wai-O-Tapu before climbing to land on the rugged and exposed peak of Mount Tarawera. Here at the site of the largest eruption in our living memory experience the thrill of walking on the craters edge and view the massive rift formed in this powerful and explosive eruption. Your pilot/guide will provide you with informed commentary throughout this unique excursion including the guided walk on the volcano. Additional scenic highlights include the renowned Rotorua lakes district and spectacular Huka Falls.

\$ 715 per person      ⌚ Approx 90mins

## World Heritage Volcanic Safari and Alpine Landing

Here we combine some of the North Islands most stunning volcanic alpine scenery with a remote landing in the Kaimanawa wilderness area. This truly amazing experience includes up close and stunning views of our world heritage volcanoes – Mounts Ruapehu, Tongariro and Ngauruhoe. Here you will be able to photograph Ruapehu's steaming Crater Lake, stunning lava flows, inspiring glacial valleys and dramatic volcanic formations some of which are only visible from the air. Continuing on we experience a remote wilderness landing to enjoy the beauty and solitude of the crystal clear Rangitikei River, home to trophy sized rainbow trout. Our flights to and from this spectacular area take in breathtaking views of Lake Taupo and its surrounding environment.
